**Subject:** Conversation with Jeremy Ruth

Jeremy Ruth 1:13 PM:

Harry Kaplan was the guy that wouldnt really let you do a real demo and requested you send him info after your conversation with him. Was looking for a track record and you were trying to give him live recs instead...Did you send anything to him?

Tim Evans 1:22 PM:

no. we dont do track records

Jeremy Ruth 1:22 PM:

Understood. How are we going to approach him from here on out?

Tim Evans 1:23 PM:

same as all customers. we will have to present him new trade recs as they come out
